Dear Parents/Guardians and Families

I would like to express a huge Thank You to all the parents for reposing faith in BRCM Public School, Vidyagram. We value the trust and confidence you have placed in us by selecting BRCM School for your child and we look forward to working together in partnership to give you and your child a solid foundation for the future. At BRCM Public School we understand that there is nothing more precious than a child and nothing more important than preparing a child for the challenges of the future. 2016-17 saw BRCM Public School Vidyagram, Bahal reaching and achieving a number of milestones.

As we begin our new session 2017-18, I thought it would be worthwhile to spend a little time reviewing where we have come from as a platform, what you would like to see your child achieve this year. Also, to share with you what we plan for your ward in this session.

- To keep pace with the fast changing scenario in the Education World, we have once again started Coaching Classes for our students of Classes IX, X, XI & XII, after last year's success by famous "Super 30" Coaching Classes.
- Coming July 2017, we are organizing a "PSYCHOMETRIC ASSESSMENT & CAREER COUNSELLING PROGRAM" for students of Grade IV – XII followed by session with parents. The major aim of this assessment is to identify and understand the factors that influence the career of your ward other than a student's examination score such as abilities/skills, personality, intelligence, interests, education, values.
- Best Influenza Vaccine available globally by Sanofi Pasteur will also be provided to all students at a much discounted rate of Rs.650 to protect your ward from flu. If you do not wish to vaccinate your ward kindly inform the Housemaster by 06 July 2017. Your telephonic consent will help us to plan the school vaccination as early as possible. A certificate of vaccination of your ward with all details will be maintained in school infirmary.
- An important document that you will need to refer to during the course of the year is the School Calendar. The school Calendar mentioning the dates of PTM and other important dates is also uploaded on the School Website. I would encourage you to review this document at your earliest convenience and to place important dates in your diary.
- To prevent summer learning loss, we have given few activities to help children revise the concepts taught in the class and prepare them to hit back the books after vacation. Also, the PDF version of summer Holiday HW is uploaded on the School Website.

If you have any queries or concerns, please feel free to contact the School. This school values your input.

Have a Happy, Healthy & Wonderful Summer Vacation!

Warm Regards,

(Nishi Rana)
