Instructions and Guidelines for Parents

Dear Parents,

I am glad regarding the coordination and cooperation received from your side in the 1st term of session 2018-19. But there are certain things which are effecting the discipline of the school. I request you to please cooperate with us for the betterment of the school and hence betterment of your child. Please see the instructions and guidelines for the next term and session 2019-20 and take all these things in a positive sense.

1. No boarder is allowed to keep mobile phone, charger or any other electronic item with him. Simple mobile phone to be deposited to house masters to call the parents on Saturday. Parents not to give android phones or i-phones to the student's smart phones if ceased will be destroyed.
2. The students are not allowed to bring the private clothes with them. If found, the house master will retain these things with them.
3. You are asked not to bring too much eating stuff for your children when you come to meet them as they are getting fresh & hygienic food in our dining hall. There is facility of tuck shop and canteen also in our school campus. If you're found coming with more eating for the child stuff, the House Master has authority to keep it in his custody.
4. Only two parents are allowed to meet their ward once in a month, i.e. fourth Saturday of the month. You are strictly instructed not to come to school on any other day, as the security staff will not allow you to enter the main gate. Medical/Emergency cases can be considered on other days too.
5. You can't go directly to the hostel of your child. You are supposed to come to principal's office, grant the permission and if permission granted then only you can meet your ward in visitors lounge that too on fourth Saturday of the month.
6. Students are not allowed to keep cash or expensive things like gold, Silver, diamond, watch expensive phone etc with them. Lost of such things will not be the responsibility of school or any person.

7. Indiscipline in the school at any cost will not be accepted. If a child is found misbehaving with other students or teachers, damaging the school property, indulged in 'provoking students' or involved in 'ill-activities', then the child will be either sacked from the school rolls or T.C/SLC will be issued to the parents.
8. This is to inform to all parents that there is change in the fee structure of the students for the academic session 2019-20. Please go through the fee structure of the school before you send your child to school from April 2019 (New Academic Session 2019-20).
9. There are two terms in a session,(say 2019-20). 1st April 2019 to 30th September 2019 is the first term whereas 1st October 2019 to 31st March 2020 is the second term. The fee of 1st term is to be deposited between 15th March 2019 to 15th April 2019 whereas a fee of 2nd term is to be paid between 15th September 2019 to 15th October 2019. If a student on rolls leaves the school after the beginning of the new session then there'll be deduction of either three months fees, six months fees or twelve months fees depending upon the month child leaves the school. The parents cannot claim the 'refundable fees' as per his demand. He will be getting the refundable amount as per the school norms.
10. The stay of only two parents will be allowed in the campus for a maximum of two days which will not be chargeable. If the parents will stay four more than two days in the campus then it will be chargeable as per the school norms.
